TA Meeting 2021.3.25 - Part3 Demo Feedback

Feedbacks:
1. Entries in search can be color coded according to experiment types
2. Test cases: 6 unit tests in total (one for each functionality, you can use intent test to replace the unit test), at least one intent test (if you use one intent test to replace a unit test, then you have to have 2 intent tests)
3. Have a better UI, can impact grade
4. Presentation after the due date
5. No bonus mark, but additional features can impact the final grade slightly

Planning:
1. Change background
2. Add a splash screen
3. Change app icon
4. Color scheme
5. User avatar
6.
